

CAREER ENHANCEMENT PROGRAM AWARD CRITERIA

- United States resident
- Within five years of first faculty appointment with a rank of instructor or Assistant Professor OR in the final year of clinical fellowship or postdoctoral fellowship
- MD/DO or equivalent
- Applications must address bench-to-bedside/bedside-to-bench strategies
- Ability to spend at least 50% effort dedicated to research
- Not currently funded by another career development award

INTERNATIONAL CAREER DEVELOPMENT AWARD CRITERIA

- Conducting research outside the United States
- Within five years of first faculty appointment with a rank of instructor or Assistant Professor OR in the final year of clinical fellowship or postdoctoral fellowship
- MD/DO or equivalent
- Applications must address bench-to-bedside/bedside-to-bench strategies
- Ability to spend at least 50% effort dedicated to research
- Not currently funded by another career development award

Given that this program intends to support career development of sarcoma investigators, **no indirect costs can be assessed as part of this award.**

GUIDELINES FOR LETTER OF INTENT

The Letter of Intent submission should consist of the following components:

- Letter of Intent - Two page Letters of Intent will be requested for the first stage of review, including:
 - Specific aims with clear delineation of translational nature of the project (1 page)
 - Career development/mentoring plan (1 page)
- NIH Biosketch of applicant (current format - max 5 pages)
- NIH Biosketch of mentor (current format - max 5 pages)

Submit the Letter of Intent package in .pdf format to sarc-cda@sarctrials.org by **January 9, 2017**.

Be sure to include complete contact information in the Letter of Intent Face Page (full name, credentials, email address, phone number, fax number and address).

SELECTION PROCESS

The selection committee will review Letters of Intent submissions and select candidates to invite for full proposal submission. Invitations to submit a full proposal will be sent to the selected applicants after the committee meeting.

This award is for one year only. The second year award is pending availability of funds and satisfactory progress of the project.
